Sunday, 7 February.

Dear Mr. Dulles,

Thank you very much for the kind thoughts expressed in your letter.

I know that you will be pleased to hear that your sentiments were echoed by so many old & loyal friends in our wonderful organization that I was deeply touched.

I'm gaining steadily & have been released by the hospital to the status of an "out" patient. It's great to be home with Margot & the two little boys.

Let's hope that before long, the medics will allow me to come back to the fold.

Sincerely yours,
